

5. Transportation Policy

To comply with the Animal Welfare (Licensing of Activities involving Animals) Regulations 2018, we have policies and procedures in place to ensure safe transportation of dogs, to ensure that they are protected from any pain, suffering, injury or disease.

| Action | Procedure |
|--|--|
| Transport by vehicle – vehicle (s) used | Ford Courier Van, fitted with ABS and air bags. |
| Emergency transport by vehicle – vehicle (s) used | As above |
| Housing of dogs during transport – harness / guard / crate | K9 crates. Secured to vehicle. Crash tested and with emergency hatch. |
| Housing of dogs during transport – temperature and ventilation | Van has air conditioning and fans on each crate. |
| Cleaning and disinfection of transport | After each use and deep cleaned weekly. |
| Minding of dogs while in a vehicle | Supervised at all times other than when collecting the next dog. |
| Hydration of dogs while in transport | Dog bowls provided in each crate |
| Toilet breaks for dogs in transport | Toilet breaks before getting into the crate and immediately on leaving the vehicle |
